Depart from Lexington, OH and travel to Middletown, OH arriving at **Bern's Garden Center** to enjoy thousands of Christmas gift ideas and enjoy a talk by a horticulturist about the myths and misconceptions of Poinsettias. You will depart with a **Christmas Poinsettia**. Get ready to visit and tour **Beau Verre Riordan Studios**, the oldest continually operating stained glass studio in the country - established in 1838. View stained glass windows as the sun cascades through the different hues of colors on the floor. See the artisans at work and shop for Christmas at the gift shop. Next you will have dinner at **Lupper-at-Murphy's Landing** attached to Beau Verre Studios. You will dine among the beautiful stained glass windows with sun shining through. After dinner our Christmas journey continues at the **Christmas Ranch "The Gift of Lights"**. Approximately 1 million lights will be featured this year, most of which will be synchronized to holiday music. Take a stroll through the forest of giant animated Christmas trees and animated figures that spin and dance to music! Stop in the barn for some hot chocolate before heading out to watch the Jingle Bell Show and enjoy a horse drawn (**Percheron horses**) wagon ride through the fields to view the other lights around the lake. This is truly a Christmas "Gift of Lights" experience you will enjoy.

**Paid reservation is due by November 6, 2018. Full payment is required at the time of the reservation.**
