

Online Banking - Supported Browsers

Mechanics Bank Online Banking supports the following list of desktop and tablet browsers. If you are not using one of the listed browsers to access Online Banking, your experience may not be optimal and some features may not function as intended. We recommend you check your current browser and make sure it is included in this list to ensure the best experience.

- **Internet Explorer, version 11**
- **MS Edge**
- **Chrome (current version)**
- **Firefox (current version)**
- **Safari, version 7.0+**
- **Safari for iOS, version 7.0+**

We are continually upgrading our online services to provide increased security and other enhancements. As we make upgrades, older browser versions may not support these updates. We recommend specific browsers that are compatible with these updates for enhanced security and ease of use.
