

COMMUNITY REINVESTMENT ACT STATEMENT OF MECHANICS BANK MANSFIELD, OHIO

The Community Reinvestment Act (CRA) of 1977 intends to encourage federally insured financial institutions to help meet the community's credit and deposit needs, including those of low to moderate income neighborhoods, while maintaining the safe and sound operation of the financial institution.

The Board of Directors is responsible for designating an officer of Mechanics Bank ("Bank" or "Mechanics") to serve as the CRA Officer.

The CRA requires that each insured depository institution's record in helping meet the credit needs of its entire community be evaluated periodically. That record is taken into account in considering an institution's application for deposit facilities, including mergers and acquisitions. Due to asset size, the Bank is evaluated under the Intermediate Small Bank performance tests conducted by the FDIC. Sufficient documentation regarding the demographics of the Bank's assessment area is maintained.

Mechanics Bank defines our current CRA assessment area as Richland County. (Of note: the Bank's assessment area will be adjusted to include 6 Ashland County census tracts in 2026, once the Ashland Office at 1040 George Road is operational.) The Bank's primary market is defined by our physical presence, geographic proximity to our physical presence, and markets with similar characteristics, industries, and demographics as the Richland County market. In addition to Richland County, this market is defined to include the following counties: Ashland, Crawford, Holmes, Huron, Knox, Morrow, and Wayne. The Bank will also support the lending needs of borrowers in other geographies. The attached map more clearly defines Mechanics' primary geographical lending area.

Mechanics offers loans in every section of our communities and does not discriminate on the basis of race, color, religion, national origin, sex, gender, marital status, age (providing the applicant has the capacity to enter into a legal contract), handicap, familial status, participation in a public assistance program, property location, age of property, or any other prohibited basis.
